**Back Office Support  
Services**

**Nonprofit Member  
Solutions**

# Back Office Support Services

---

- **Nonprofit Accounting Services:** Personalized nonprofit accounting services including day-to-day data entry operations, balancing of books, strategic financial reporting and consulting, and more.
- **HR Management & Recruitment Services:** Our team oversees the essential HR functions that help nonprofits attract, develop, and retain top talent such as employee assessments, compensation analysis, and recruitment services (including mid-management search).
- **Fiscal Sponsorship Opportunities:** Fiscal Sponsorship provides an alternative approach that allows organizations to focus on their missions while back-office administrative, HR, and accounting needs are handled by our nonprofit experts.
